

**TODAY. TOGETHER.
UNITED WAY.**

There's no place like home.

Your donation to United Way's **Safe & Stable Homes** initiative is changing lives.

We are on track to be the first community in the United States to end family homelessness. **And we will do it by the end of 2023.**

Today, thousands of people throughout our community are looking for ways to navigate the challenges in their lives.

A father looks for a good job.

A mother struggles to keep her family in their home.

A student reaches out for help with his studies.

In a time of need, everyone should have someone they can turn to for help.

Together, we can be that help.

United Way of Greater Milwaukee & Waukesha County has always had one simple purpose: help people live better lives.
