**TODAY. TOGETHER.
UNITED WAY.**

Today, thousands of people throughout our community are looking for ways to navigate the challenges in their lives.

A father looks for a good job.

A mother struggles to keep her family in their home.

A student reaches out for help with his studies.

In a time of need, everyone should have someone they can turn to for help.

Together, we can be that help.

United Way of Greater Milwaukee & Waukesha County has always had one simple purpose: help people live better lives.

A good job allows someone to flourish.

Your donation to United Way's **Reducing Barriers to Employment & Advancement** initiative is changing lives.

Join us in reducing barriers so that 15,000 people will be ready to start a family-sustaining job aligned with local employer needs by 2029.
