

# TODAY. TOGETHER. UNITED WAY.

Susie was nervous to leave her son Joaquin with someone other than her parents. That's when she found United Way-funded St. Joseph Academy. It would become a place of stability and learning for both of them.

Today, thousands of people throughout our community are looking for ways to navigate the challenges in their lives.

In a time of need, everyone should have someone they can turn to for help.

Together, we can be that help.

United Way of Greater Milwaukee & Waukesha County has always had one simple purpose: help people live better lives.
