Brothers and Sisters,

I have been a contributor to the United Way for many years. I'm asking that all members of Organized Labor participate in the 2013 United Way campaign.

The goal of Organized Labor is to work with members in the community to help them grow and sustain a livable existence. The United Way in Waukesha County collaborates with community organizations to help people live a better life, with a focus on helping kids succeed and financial stability. Together we can make a strong community and a strong labor movement that cares.

You can help by donating, volunteering and advocating for the United Way in Waukesha County.

Thank You Brothers and Sisters!
