Be a Mentor

We all win when young people succeed in school. That's why nationwide United Way is recruiting one million people over the next three years to Live United and join us as a volunteer reader, tutor or mentor.

This year, we started with 650+ local volunteers, and need your help to hit our goal of 3,000. Be part of the change and sign up at UnitedWay.org/Volunteer

"Mentoring is a lot of fun. You get to establish a friendship and a mentoring relationship."

DON'T JUST WEAR THE SHIRT, LIVE IT.

There are many ways to Give, Advocate and Volunteer with United Way year-round. Here are some examples:

Sponsorship Opportunities

Help raise awareness about United Way and uniquely position your company as a community leader, while increasing organizational visibility. Sponsorships are flexible, with year-round and single-event opportunities available, which we can design to meet your marketing goals.

Volunteer Opportunities

Read with Me Week

Celebrate National Reading Month in March with United Way's Read with Me Week. Volunteers from area workplaces read to area youth at local agencies.

Day of Action

A one-day service project hosted by Emerging Leaders on June 21, where you can see community impact in action.

Intern Day of Action

Share your organization's commitment to our community by having summer interns or seasonal staff participate in a one-day service project in July.

Season of Caring

More than 3,000 individual and corporate volunteers made an immediate impact on our community during the 2012 Days of Caring. Now there are even more opportunities to build team morale through our expanded Season of Caring. 2013 dates are September 23 - October 4, October 21 - 26 and November 11-16.

Women's Job Seminar

Assist local women in building the skills and confidence they need to secure employment. Volunteers provide one-on-one job and resume coaching at this annual event in late Fall.

Be a Reader, Tutor or Mentor

United Way is recruiting one million people over the next three years to join us as a volunteer reader, tutor or mentor. Be part of the change as we sign up 3,000 local volunteers.

Emerging Readers

Your family participates in a book drop three times a year as part of a year-long program to connect books with kids in need.

Family Philanthropy

There are many benefits for families that are involved in philanthropy. Through United Way's Family Philanthropy efforts, children, parents and grandparents are connected to giving and volunteer opportunities throughout the year.

Impact an Issue Area

Align your philanthropic goals with United Way issue areas including Education, Income and Health. Experience the power of Living United through agency site visits, volunteer projects, office collection drives and resource fairs.
