TEEN MENTAL WELLNESS: EMPOWERING MINDS

Your donation is an investment in strategies to build comprehensive school mental health systems in high schools, including access to school-based and community-based teen mental health services.

OUR GOAL: EMPOWERING MINDS SCHOOLS WILL ELEVATE THE MENTAL WELLNESS OF 21,000 HIGH SCHOOL STUDENTS BY 2030.

Through United Way's Teen Mental Wellness: Empowering Minds, Grafton High School found the structure and the support to put mental wellness ideas into action.
