

Before Starting the Project Listings for the CoC Priority Listing

The CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be completed and submitted prior to the CoC Program Competition submission deadline stated in the NOFO.

The CoC Priority Listing includes:

- Reallocation forms – must be completed if the CoC is reallocating eligible renewal projects to create new projects or if a project applicant will transition from an existing component to an eligible new component.

- Project Listings:

- New;
- Renewal;
- UFA Costs;
- CoC Planning;
- YHPD Renewal; and
- YHDP Replacement and Reallocation.

- Consolidations and Expansions Forms – must be completed if the CoC is consolidating eligible renewal projects or applying for new projects to expand the operations of eligible renewal projects.

- Attachment Requirement

- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- New, CoC Renewal, YHPD Renewal, YHDP Replacement and Reallocation Project Listings – all project applications must be reviewed, approved and ranked, or rejected based on the local CoC competition process.

- Project applications on the following Project Listings must be approved and are not ranked per the FY 2026 CoC Program Competition NOFO:

- UFA Costs Project Listing;
- CoC planning Project Listing;
- Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.
- For each project application rejected by the CoC, the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND ranked or approved BEFORE submitting the CoC Priority Listing to HUD in e-snaps. Additional training resources are available online on HUD's website

As stated in the FY 2026 CoC Program Competition NOFO:

- CoCs may reallocate YHDP projects from any Round to create new YHDP Replacement projects.
- If a CoC reallocates funding from a renewal project that was previously awarded DV Bonus funding, any new project created with such funding must be 100 percent dedicated to serving individuals and families who are fleeing or attempting to flee domestic violence, dating violence, sexual assault, and stalking and who qualify as homeless under paragraphs (1) or (4) of the definition of homeless at 24 CFR 578.3 or Section 103(b) of the McKinney-Vento Homeless Assistance Act.

YHDP Replacement and YHDP Reallocation project applications will renew competitively and must be ranked in the FY 2026 CoC Program and YHDP Competition.

Based on the CoC local competition process that includes the rating and ranking or rejection of projects, answer "Yes" or "No" to the question "Do you want to rank this project?" and complete the remaining fields:

If "Yes" is selected, click "Save" and a new field labeled "Rank" will appear where you must enter a unique rank number for the project application, then click "Save & Back to List."

If "No" is selected, click "Save." A new drop-down menu will appear asking for the reason the CoC rejected the project application. Select the appropriate response from the list and then click "Save & Back to List."

Do you want to rank this project? Yes

Continuum of Care (CoC) YHDP Replacement and YHDP Reallocation Listing

Instructions:

Prior to starting the YHDP Replacement and YHDP Reallocation Project Listing, review the CoC Priority Listing Detailed Instructions available on HUD's website.

To upload all YHDP Replacement project and YHDP Reallocation project applications, submitted to this Project Listing, click the "Update List" button. This process may take a few minutes based upon the number of YHDP renewal projects submitted by project applicant(s) to your CoC in the e-snaps system.

You may update each of the projects simultaneously. To review a project on the YHDP Replacement and YHDP Reallocation Project Listing, click on the magnifying glass next to each project to view project details. To view the actual project application, click on the orange folder. If you identify errors in the project application(s), you can send the application back to the project applicant to make necessary changes by clicking the amend icon. It is your sole responsibility for ensuring all amended projects are resubmitted, approved and ranked (if applicable) or rejected on this project listing BEFORE submitting the CoC Priority Listing in e-snaps.

As stated in the FY 2026 CoC NOFO, YHDP Renewal and YHDP Replacement applications are competitive and must be ranked.

WARNING: If you amend project applications back to project applicants to make changes or corrections in e-snaps, you must approve the resubmitted project applications. If you do not approve the resubmitted project applications, they will not be included on your CoC's Priority Listings, which could result in your CoC losing funding. HUD lacks the authority to fund projects unless they are included on the Priority Listings, which informs HUD which projects your CoC is accepting.

Ranking of Scored Renewal Projects and Tiebreaker Scoring:

Milwaukee Coalition on Housing & Homelessness
Renewal Project Scoring Tool

Milwaukee Coalition on Housing & Homelessness at United Way

Once the total number of points awarded by scoring criterion is calculated based on point thresholds structured by all project outcomes, the number of points earned will be divided by the total possible points for that project type. The resulting percentage will be placed in descending order, highest at top and lowest at bottom. If there is a tie between renewal projects, a tiebreaker score will be used. The tiebreaker score will be based on cost effectiveness and further investigation into System Performance Measures. Cost effectiveness will be measured by the total HUD grant award amount being divided by the number of successful outcomes (leaving to permanent housing).

Example: A program gets \$100,000 grant. 25 households successfully went to permanent housing. The cost per successful outcome is: \$4,000.
