

**1 IN 3 AMERICAN FAMILIES
REPORTS EXPERIENCING DIAPER NEED.**

Please support our

DIAPER & BABY WIPE DRIVE

- ▶ **Donate diapers sizes newborn, 1, 2, 3, 4, 5, 6 and baby wipes.**
Due to safety guidelines, all donations of diapers and baby wipes must be in their unopened original packaging.

Access to a sufficient supply of diapers is essential for the health of infants and toddlers, but too many families do not have the resources to adequately provide for this basic need.

Diapers and baby wipes collected will be distributed to families through nonprofits located in Milwaukee, Waukesha, southern Ozaukee and Washington Counties for regional impact. Your support helps families gain financial flexibility to focus income on housing and other essential items.
