OUR PROMISE TO OUR TEAM MEMBERS

As team members at Advocate Aurora Health, we believe in empowering our differences to inspire creativity, leading to innovative solutions. We celebrate professional excellence and personal milestones. We measure success by what we're achieving today, as well as how we're growing and improving for tomorrow. We each have a voice, and we're invited to use it to foster safe, respectful and compassionate care for our patients and our communities. We're a team of 70,000 individuals, with one goal: we help people live well.

JOIN OUR TEAM OF HEALTHCARE HEROES

Our team members' empathy and motivation to work hard, providing patients with a memorable experience, is critical to our success. We have a variety of positions available, full or part-time, all shifts and a variety of career areas. Visit aurorahealthcarecareers.org to learn more and search for your perfect opportunity.

REGISTERED NURSES

Feel in-control and empowered, using your skills to provide patients with the very best care. We count on your expertise in caring for patients and their families - and in return, we'll ensure that you can count on us. We're here to guide you to long-term success. Because you're essential to them, and to us.

ENVIRONMENTAL SERVICES

In healthcare, it's not just housekeeping. Our titles are "environmental services" or EVS, because the work done by the team is key to creating a welcoming, clean and - most importantly - safe environment for our patients, team and visitors. Now, more than ever, we rely on our EVS team to help deliver our Safe Care Promise.

PATIENT SERVICE REPS

As the initial point-of-contact for patients, we count on you to make a positive impression. Whether you're completing forms, collecting payments, scheduling appointments, or checking patients in, you play a critical role in gathering, distributing and communicating essential information to physicians, team members and patients.
