Build leadership capacity within your organization and on your board.

As the magnitude and complexity of issues facing non-profits continues to grow, nonprofit leaders are seeking new and innovative ways to build agency capacity and collaborate with partners to address community wide issues. Our vision of a healthy, vibrant, and economically resilient Waukesha County can be achieved by collectively working together to harness the power of community. These educational opportunities offer our nonprofits resources to build leadership skills within your organization and on your board.

- Network with other nonprofit leaders and board members!
- Board Presidents will learn the basics to help manage your team
- Explore various models to engage the board for high performance
- Learn how to recruit for the board

Board members and executives will strengthen their effectiveness.

Board development rocks!
