

## Strategic Direction

### Vision

Waukesha County is a healthy, vibrant, and economically resilient community cultivating opportunities for all citizens to be engaged, grow strong, and thrive.

### Mission

Building a thriving community by supporting collaborative efforts and mobilizing resources to support the human service needs of all who call Waukesha County home.

#### Goal 1

Increase capacity and effectiveness of human service providers.

#### Goal 2

Foster innovation, collaboration, and the integration of services to support identified initiatives.

#### Goal 3

Mobilize community resources to support Thriving's mission and goals.
