Thank you for being a
UNITED WAY AMBASSADOR

Dear Ambassador,

You are essential to the success of our Community Campaign. Without you, we could not provide the critical funds needed to support 220+ programs at more than 110 local agencies. What binds us together is the belief that each of us has a stake in the success of our fellow citizen. United, we can ensure our community thrives.

Whether this is your first time as an Ambassador or you’re a seasoned veteran, this guide will help you conduct a successful campaign from start to finish.

On behalf of our organizations, United Way, and all of the people served in our four county region, we thank your for coordinating your 2017 workplace campaign.

Sincerely,

### WHAT’S A LOANED EXECUTIVE?

Giving to United Way’s Community Fund is the most efficient and most powerful way for you to invest in our community.

**THE BEST WAY TO GIVE.**

A gift to United Way’s Community Fund allows you to help more people than a gift to a single nonprofit can.

United Way experts look for gaps and duplications so Community Fund dollars go to the needs everyone is aware of but also to those needs less obvious but no less important.

Your gift to United Way’s Community Fund ensures that your donation is invested where the need is greatest. Donations are monitored to ensure the programs are effective, meet current community needs, and are financially stable and sustainable.

**WE ARE TRUSTWORTHY & EFFECTIVE**

- At United Way, we invest in programs that produce results at agencies that manage their money wisely.
- We have been recognized nationally and locally for our high rate of efficiency and consistently receive a four-star rating by Charity Navigator – its highest ranking.
- Nearly 90 cents of every dollar raised is invested into our community.

**MATCH YOUR MONEY**

When you give to any of our focus areas — Health, Education, or Financial Stability — or special initiative within the Community Fund your donation may qualify for matching funds, increasing the investment even more. Find out more [Giving Incentives](#).
TIPS FOR A SUCCESSFUL CAMPAIGN

Get Donors Interested
78% of people are more likely to give a financial donation if they first have a positive engagement experience.

- **Share the story:** Educate employees by inviting an agency speaker to share a story about the positive impact that donor dollars have on our community. Contact your Loaned Executive or United Way staff to schedule a speaker.
- **See impact in action:** Experience how important United Way-funded programs are to the community by touring an agency.
- **Volunteer during Season of Caring:** Strengthen your team and community by participating in a fall volunteer project.

Make the Ask
Research shows that the #1 reason people don’t give to United Way is because they were never asked.

- **Ask for the pledge:** With new donors, ask for a first-time gift. For annual donors, thank them for their past support and encourage an increase.
- **Answer questions and handle concerns:** Answer questions honestly and if you don’t know the answer ask your United Way representative.
- **Leverage incentives:** Employee prizes and incentives are a way to reward employees for participating. No prize is too small. Vacation days, VIP parking, and gift cards are great incentives. Don’t forget the Give & Win Sweepstakes and Impact Coupons.
- **Say thank you:** Regardless of what the donor decides, thank them for their time.

LIVE UNITED All Year Long
90% of businesses indicated that partnering with reputable nonprofit organizations enhances their brand. We provide you with all the tools you need to show donors how United Way is using their gift, months after they’ve given.

- **Share facts and updates:** Send fun facts and stories via emails, newsletters, the intranet, or a bulletin board.
- **Connect on social media:** Advocate for United Way by posting photos of your employee volunteers in action or your special event.
- **Create an annual engagement calendar** that includes Lunch & Learn sessions, hosting a drive, Adopt-an-Agency, site visits and more. Contact your United Way staff for more information.

ONLY HAVE 60 SECONDS?

Be an Advocate:

- United Way recruits people and organizations who bring passion, expertise, and resources needed to get things done.
- Giving to United Way’s Community Fund is the most efficient and most powerful way for you to invest in our community. We invest nearly 90 cents of every dollar raised into community problem solving – and that far exceeds national standards.
- United Way is not a short-term investment; it’s about lasting change. We surround a community’s most critical problems and we fight. We fight for those who need a voice and those whose names we do not know.
- United Way is:
  - **Effective.** We only invest in programs at agencies that are in good financial health and in programs with results that are measurable, sustainable, and meet current community needs.
  - **Efficient.** Donor dollars are leveraged with others to meet the most pressing needs in our community.
  - **Local.** We invest in 220-plus programs at over 110 local agency program partners in the areas of Health, Education, and Financial Stability located in Milwaukee, Waukesha, Ozaukee, and Washington County.
