

# THERE'S NO PLACE LIKE HOME

Couch surfing: when families stay with relatives, friends, or neighbors because they have no other option. It's the reality many face when they are forced to leave their home because of job loss, domestic violence, or other hardships.

Of the homeless population in Milwaukee, Ozaukee, Washington, and Waukesha counties, **26%** are families with children.

When local families suffer, we all feel the effects.

United Way and community partners have set a goal:

## END FAMILY HOMELESSNESS BY 2025.
