

Agency Partner	Description & Details of Opportunity	Commitment
----------------	--------------------------------------	------------

Pathfinders

Technology Assistant –
 The volunteer will assist in the set-up and maintenance of Pathfinders’ computers and technology. Responsibilities include software installation, configuration and troubleshooting; support for Windows 10, Windows 2010, Office 365 and Trend Micro Antivirus; assisting with basic network infrastructure troubleshooting and support.

Long term/flexible:
 6-month commitment of 8 hours/week preferred.

Hebron House of Hospitality

Website Rebuild –
 The Hebron House of Hospitality website needs a re-model on a user-friendly platform. This opportunity requires a background in website design and will be a more time-intensive opportunity, but it will support our mission for years to come!

Short term/flexible

Interfaith Older Adult Programs

Computer Lab Support –
 Interfaith’s Mature Workers Resource Center needs a friendly person to answer computer related questions and problems for seniors trying to get back into the workforce.

Long term/flexible:
 Weekdays between 9 am to 3 pm.

Other Agencies	Description & Details of Opportunity	Commitment
